Principal's Report:

- spirit week next week
- Key Club will be going to Newark for gift giving
- pep rally is coming up
- Seniors want to go sledding at the back of the cafeteria. The idea is being considering, they may do it as a fundraiser for seniors
- stem night turned out well
- concerts have been going very well
- concert choir is tomorrow
- performing arts programs have been doing very well
- Mrs. Young is crafting a form to send to parents asking where students are going next fall-to celebrate performing arts students, just as the student athletes are celebrated for their college acceptances
- CTE night is being set up, trying to do a Saturday night
- student recommendations coming up next week
- counselors are meeting with students one on one to be sure they are fully aware of courses that are available to them, for their specific grade.
- Mrs. Young will get the ESCA Calendar Raffle QR code out to staff for them to participate
- the VTHS Choir is hosting a fundraiser to share a singing carol with people in the community, arranged by Mr Kevin Boehm, 5:30-8pm 12/19/22-see our Facebook page for the flyer and link if you would like to participate
- two different student groups are asking for dances, one wants a winter formal and

the other a Valentine's dance, but there may only be able to be one that can be hosted, so discussions are being had as to how they can maybe combine the two?

- Mon, Tues, Wed of next week: elective fair per grade level will be set up in the library and then on Jan 3rd they will sign up for their chosen electives
- tomorrow is the unified program dance

Old/On Going Business:

- One of the Art Scholarship Awards needs to be reallocated from last year's scholarship awards ceremony, regarding the funds for the student that has not been able to be reached. We need to discuss where to reallocate the \$300 scholarship award check that has not been cashed after being awarded in 6/2022. After multiple attempts from multiple staff members, and the student not returning any phone calls or emails, the SCA has no choice but to reallocate the funds and will vote on it once all 5 board members are in the SCA meeting next month
- All Giving Tree donations were submitted to the ESCA last week

New Business:

- Ladies Night Out is still being discussed with the ESCA, no final details yet to discuss
- Calendar Raffle is still going on
- Senior Gift ideas need to be discussed sooner rather than later. We have \$1500 budgeted for 229 seniors
- We need to coordinate a date, possibly a Saturday, to go over the car show details and secure businesses that would be interested in sponsoring trophies for the show
- Bingo dates are 3/24 and 4/21
- Car show is 5/21 rain date 6/4

Motion to adjourn at 1:06pm by Dayna Germinario and seconded by Joanne Jarosz

Respectfully submitted,

Dayna Germinario / Recording Secretary
