Dear Proprietor:

January 2026

This year the Vernon Township Executive School & Community Association (ESCA) will hold our annual **Senior Citizen Appreciation Event** At the **Vernon Township High School on March 25, 2026.**

This fantastic night out is a free event, for the senior members of our community, to show our appreciation. It is an annual tradition that many look forward to. Our organization is able to offer free events like this only through the combined efforts of our business community, townspeople, and all the school district's SCA organizations, as well as the generous support of individual donors and gifts from businesses and corporations.

We are asking you to help contribute to the success of this event with a **Monetary Donation OR Sponsorship of our Event.** Below are our Sponsorship Opportunities that will put your business in front of event attendees and our Vernon community. Please contact Shannon Greiner at for more sponsorship information.
